November 2021 Newsletter

From Our Post Commander

It's that time of year where we celebrate. But it is also the time when suicide is at an all time high. Many with depression feel like they just can't take anymore and opt for a quick way out. Veteran suicide is also at an all time high. Many of our brothers and sisters feel that they are all alone or burdened with guilt. After the camaraderie of the military, loneliness can be deadly, so let's join together and help fight this problem.

During this holiday season, REACH OUT, make a phone call or make a visit to one of our brothers or sisters and let them know that they are not alone. We don't have all the answers, but sometimes just to know that somebody cares is enough to stop those thoughts for a while, You could be the one to save a life today. It is real simple to remember.... EACH ONE....REACH ONE.

Happy Holidays
David Fenn
