FROM THE COMMANDER

**Does anybody remember “Murphy’s Law”. You know “whatever can go wrong – will”. We were working our way through this pandemic then BOOM... a PolarVortex (snow storm),-- and then we had a water pipe burst and flood the kitchen and dining area. It just seems like it is one thing after another. But the Spirit of The American Legion and our Vets is still strong. There are some who believe that our Veterans are an “ENTITLED” group BUT these are the ones that do not know what real sacrifice means. If they spend time away from family or comfort, it is for the money, not for the good of the nation.**

**Our time of military service may be past, but always remember; you stood one day and raised your right hand and swore an oath. That oath did not have an expiration date. We all had different experiences in the military, but we all share a common bond. We don’t give up and we don’t leave a brother or sister behind. That is the heart and soul of The American Legion. One day we may have to close the door, but we will go down still fighting.**

**Commander David Fenn**

### **Unit President and Secretaries notes**

#### **Hello from the Auxiliary President;**

We had high hopes this year, but as luck would have it, here came Covid and then an Ice Storm. Hope all came thru well and safe. We are looking forward to getting things up and running again. I would love to hear from all the auxiliary members, no matter what the issues of the past. Let's open those lines of communication and work past all the problems. I am at the restaurant every Saturday..... COME LETS TALK.. Our meeting is the first Tuesday of every month at 7:00pm

Hope to see you there,  
President Roxan Faison
