

“Cost of Freedom” American Veterans Traveling Tribute Vietnam Wall Replica  
District 12 American Legion Daily report for 1 April 2011

Law Enforcement and Fire Fighters Day started with student field trips and many visitors. At 1:30 pm the crowd was directed to the main tent for the posting of the Colors by Longhorn Council Boy Scout Troop 95. Police Chief James Mills and Fire Chief Tommy Davis gave a tribute to all those that perished in the 911 attack and appreciation to all who serve. VFW Post 10429 Commander Peter Kau presented a certificate of appreciation to a Benbrook Firefighter for his quick response when the post had a fire. Unfortunately he was busy assisting someone with a problem in the parking lot and was slow to respond for the “Atta boys”.

The afternoon welcomed many guests viewing the displays. Benbrook Girl Scouts were giving free cookies to Veterans and Renegade Nation displayed their “Mule” with era weapons. Volunteers from the VFW, American Legion, their Auxiliaries, Patriot Guard Riders and other volunteers assisted with names being found on the “Wall”.
