August 11, 2012

To: American Legion Riders

Please accept our appreciation for your group's participation and contribution to the success of the Meacham Open House/ Fly In on July 21, 2012. The display of over 70 motorcycles and 200 bikers and supporters was truly awesome. Your position in front of the terminal and later at the local museums contributed to the high attendance generated for the event.

Your perseverance of the extremely warm conditions was appreciated. We hope most of your group was able to take advantage of our efforts to provide shelter, hot dogs, and water, which were greatly needed on a day when the temperature reached 105 degrees, even higher on the aircraft parking ramp.

Logo's were displayed and recognition of your sponsorship was provided in our newspaper ads, brochures, emails, and other promotional activities to the extent possible.

We look forward to working with you and your staff on future events that will honor our military and provide exposure for our organizations dedicated to promoting aviation history and educational opportunities to young and old.

Bill
